## NEW SERVICE AT TVEH:

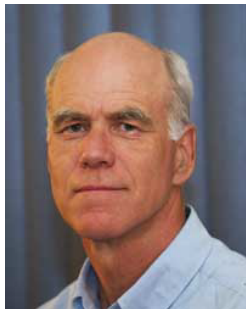

# DR. MICHAEL O'GRADY CARDIOLOGY

The Toronto Veterinary Emergency Hospital is proud to announce the addition of a Cardiology service.

Dr. Michael O'Grady needs little introduction as he was head of the Cardiology Department at OVC from 1983 until his retirement this year. Dr. O'Grady will be working part-time at TVEH accepting referrals in Cardiology.

The Cardiology Service will focus on the diagnosis and management of both acute and chronic cardiovascular disorders as well as offering cardiovascular screening of dogs and cats for owners and breeders.

Dr. O'Grady will be accepting referrals in Cardiology starting in September 2011. Please contact our reception staff to schedule a consultation with Dr. O'Grady.
